

PLAYGROUP IN THE PARK

A mobile playgroup catering for babies, infants and young children

Playgroup In The Park offers a playgroup environment, outdoors. The sessions provide an inclusive and supportive group environment where parents, guardians and carers can spend time with their child/ren, meet new people and seek and share information. You will also be able to obtain some valuable information to assist your child's learning, through play.

Toys, activities and portable play equipment will be provided. Please bring a towel, hat, sunscreen, snacks and a drink bottle.

Each week we will alternate between local parks. To check the location for the next session and to keep updated join the Playgroup In The Park Facebook group (see below)

Mondays | 9:30am - 11:00am

Alternating between local City of South Perth parks
